**IT IS HEREBY ORDERED THAT:**

1. The Debtors are authorized, but not directed, pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, to pay and satisfy the Prepetition Obligations. In the event the Debtors make payments in excess of the aggregate estimated amounts in any category of Prepetition Obligations as set forth in the Motion, the Debtors shall file a notice with the Court describing the category and overage amount.
2. The Debtors are authorized, but not directed, pursuant to sections 105(a), 363(b), and 503(b)(9) of the Bankruptcy Code, to pay and satisfy the 503(b)(9) Claims. In the event the Debtors make payments on account of 503(b)(9) Claims in excess of the aggregate

estimated amounts as set forth in the Motion, the Debtors shall file a notice with the Court describing the category and overage amount.

3. As a condition to payment of prepetition amounts owed to any E&P Claimant or § 503(b)(9) claimant hereunder, the Debtors shall enter into Trade Agreements with such claimant on terms consistent with the historical practice between the parties, and such Trade Agreement shall require the claimant to agree that the payment to be made will be in full satisfaction of any prepetition amounts allegedly owed to such claimant by the Debtors arising from agreements or other arrangements entered into prior to the Petition Date. The Debtors are authorized to negotiate, modify, or amend the form of a Trade Agreement in its reasonable business judgment, but may not violate this paragraph.

4. Any party who accepts payment from the Debtors of a prepetition amount shall (i) be deemed to have agreed to the terms and conditions of this Final Order, and (ii) promptly take all actions necessary to remove any liens on the Debtors' assets such party may have based upon such prepetition amount at such party's sole expense. Notwithstanding anything to the contrary herein, prior to making any payment pursuant to this Final Order to an E&P Claimant or a § 503(b)(9) claimant, the Debtors shall provide such claimant with a copy of this Final Order (unless previously provided).

5. If any party accepts payment pursuant to this Final Order for a prepetition obligation and thereafter fails to comply with any term or provision of the applicable Trade Agreement entered into with the Debtors, or such other terms agreed to by the Debtors, any payments made pursuant to this Final Order shall be deemed an avoidable postpetition transfer under section 549 of the Bankruptcy Code, and the non-Debtor party shall be required to immediately repay to the Debtors any payment made to it on account of its asserted claim to the

extent the aggregate amount of such payments exceeds the postpetition obligations then outstanding, without the right of any setoffs, claims, provision for payment of reclamation or trust fund claims or otherwise. Upon recovery by the Debtors, the amounts previously paid shall be reinstated as prepetition claims in the amount so recovered.

6. The Debtors shall maintain a matrix/schedule of amounts paid under this Final Order, including the following information: (i) the category of amount paid, applied, offset or setoff as further described and classified in the Motion; (ii) the aggregate amount of the payment, application, offset or setoff by category; (iii) the Debtor or Debtors that made the payment, application, offset or setoff; (iv) the recipient of the payment, application, offset or setoff; and (v) timing of the payment, application, offset or setoff (the “**Payment Matrix**”). In addition to the Payment Matrix, the Debtors shall maintain a summary schedule of the status of its trade agreement negotiations with creditors that includes the following information: (i) the aggregate number of creditors with whom the Debtors are negotiating trade agreements by category of claim, (ii) the aggregate amount of claims subject to negotiation, (iii) the aggregate number of trade agreements executed during the reporting period by category of claim, and (iv) the aggregate amount of claims resolved by executed trade agreements and the aggregate amounts agreed to in such executed trade agreements (the “**Vendor Negotiations Summary**”). For the avoidance of doubt, the Debtors are not required to include in the Vendor Negotiations Summary the aggregate amount of claims resolved by executed trade agreements by category of claim, the aggregate amounts agreed to in such executed trade agreements by category of claim, or any information that identifies a specific vendor’s identity, claim or executed trade agreement. For the first three months following entry of this Final Order (the “**Initial Reporting Period**”), the Debtors shall provide a weekly copy of the Payment Matrix and Vendor Negotiations Summary on a confidential

and professionals' eyes only basis to the U.S. Trustee, advisors to the official committee of unsecured creditors (the "**Creditors' Committee**") and the advisors to the Ad Hoc Group of Secured Lenders (collectively, the "**Notice Parties**") beginning the first Tuesday following entry of this Final Order. After the Initial Reporting Period, the Debtors shall provide the Payment Matrix and Vendor Negotiations Summary to the Notice Parties on a monthly basis; provided that the Creditors' Committee reserves the right to request that such reporting continue on a weekly basis and the Debtors reserve their right to oppose such request.

7. The Banks are authorized to receive, process, honor, and pay any and all checks issued, or to be issued, and electronic funds transfers requested, or to be requested, by the Debtors relating to such obligations, to the extent that sufficient funds are on deposit in the applicable bank accounts to cover such payments. The Banks are authorized, to accept and rely on all representations made by the Debtors with respect to which checks, drafts, wires, or automated clearing house transfers should be honored or dishonored in accordance with this or any other order of this Court, whether such checks, drafts, wires, or transfers are dated prior to, on, or subsequent to the Petition Date, without any duty to inquire otherwise.

8. The Debtors are authorized, but not directed, to issue new postpetition checks, or effect new electronic funds transfers, and to replace any prepetition checks or electronic funds transfer requests that may be lost or dishonored or rejected as a result of the commencement of the Debtors' chapter 11 cases with respect to any prepetition amounts that are authorized to be paid pursuant to this Final Order.

9. Notwithstanding anything to the contrary herein, any payment to be made by the Debtors pursuant to the authority granted herein shall be subject to and in compliance with any orders entered by the Court approving the Debtors' (i) entry into any postpetition debtor in

possession financing facility, including any budget and the terms of any definitive documentation in connection therewith (the “**DIP Documents**”) and/or (ii) authorizing the Debtors’ use of cash collateral and/or any budget in connection therewith (in either case, the “**DIP Order**”). To the extent there is any inconsistency between the terms of the DIP Order or any DIP Documents, on the one hand, and this Final Order, on the other hand, the terms of the DIP Order or such DIP Document, as applicable, shall control.

10. Nothing contained in the Motion or this Final Order or any payment made pursuant to the authority granted by this Final Order is intended to be or shall be deemed as (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver of the Debtors’ or any party in interest’s rights to dispute the amount of, basis for, or validity of any claim, (iii) a waiver of the Debtors’ or any party in interest’s rights under the Bankruptcy Code or any other applicable nonbankruptcy law, (iv) a modification of any right of any party with regard to joint operating agreements, (v) an agreement or obligation to pay any claims, (vi) a waiver of any claims or causes of action which may exist against any creditor or interest holder, (vii) an admission as to the validity of any liens satisfied pursuant to this Motion, or (viii) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code.

11. Nothing herein shall impair or prejudice the rights of the U.S. Trustee and any statutory committee appointed in these chapter 11 cases, which are expressly reserved, to object to any payment to a claimant that is an insider (as such term is defined in section 101(31) of the Bankruptcy Code), or an affiliate of an insider, of the Debtors. To the extent the Debtors intend to make a payment pursuant to this Final Order to a claimant that is an insider or an affiliate of an insider of the Debtors, the Debtors shall, to the extent reasonably practicable, provide three

(3) business days' advance notice to, and opportunity to object by the U.S. Trustee and any statutory committee appointed in these chapter 11 cases; provided, that if any party objects to the payment, the Debtors shall not make such payment without further order of the Court.

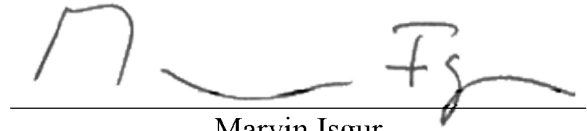

12. Notice of the Motion is adequate under Bankruptcy Rule 6004(a).

13. Notwithstanding the provisions of Bankruptcy Rule 6004(h), this Final Order shall be immediately effective and enforceable upon its entry.

14. The Debtors are authorized to take all actions necessary or appropriate to carry out the relief granted in this Final Order.

15. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Final Order.
